

RUN BUSINESS AT A WHOLE NEW LEVEL

Strategic Talent Build Program

A Post Graduate Program For Probationary Officers

Be 3x more efficient with **India's smartly trained POs**

A well-functioning bank often owes its seamless operations to the quiet diligence of the Probationary Officer (PO). Whether it's resolving customer concerns, managing financial products, or overseeing vital processes like cash flow and loan documentation, POs ensure that every cog in the banking machinery runs smoothly.

Without the invisible hand of the PO, the efficiency of the branch can heavily falter. That's why we've designed the Strategic Talent Build Program, a tailor-made Post Graduate Program in Banking (PGPB), that amasses and trains a skilled talent pool of probationary officers. The program integrates comprehensive campus training, internships, experiential learning and real-life simulation drills to make sure our candidates are ready from day one, hour one. Upon successful completion, participants are awarded a prestigious certificate from Manipal Academy Of Higher Education (MAHE).
